ANESI
BEAUTÉ

Anesi is a Spanish firm belonging to the DRV-Phytolab group, dedicated to the aesthetics 'world for more than 40 years. The selection of active ingredients and formulations of all the ANESI cosmetics have been developed by the R&D department. All products are manufactured and filled on the premises with an exhaustive quality control. Phytolab Laboratories has obtained the ISO 9001 and the GMP certificate making the company a leader in professional beauty worldwide.

We offer a wide range of products combining the highest percentage of latest technology active ingredients with unique aromas and textures. Our signature treatments combine technology with wellness protocols and massage techniques to offer a unique sensorial experience and visible changes in your skin.

Anesi is distributed in more than 90 countries worldwide. Join the Anesi experience.

ANESI

SKINVIEW

PROFESSIONAL DIAGNOSIS

reveal your true skin

This camera meets all the technical requirements to recognise the skin type, presence and depth of wrinkles, pigmentation, spots, open blocked pores etc in depth.

It's like seeing your skin 30 times closer, with its Sony Camera microscope and Samsung processor, SKINVIEW is capable of measuring your hydration level, elasticity, sebum, pores, hyper pigmentation, acne, wrinkles and even skin sensitivity.

Innovation and technology are

With this latest technology, in less than 10 mins you can have a complete diagnosis of your skin, with pictures and graphics to compare with the average population of women in your age group.

Also, SKINVIEW allows you to see your skin's progress and results can be sent via email to each customer.

SKINVIEW recommends the best ANESI treatments based on its results, in order for you to have excellent effects. Developed with dermatologists and software engineers SKINVIEW offers a professional complete diagnosis of your skin.

now closer than ever with SKINVIEW

A SECRET HEAVENLY BORN

Once again, ANESI Laboratory surprises you with an exclusive treatment out of this world... For centuries, meteorites have fascinated scientists and researchers worldwide. With over 4,5 billion years old, infinitely rich in minerals unknown to our planet, this revolutionary extract has opened the door to a new line of research with surprisingly unexpected results in skin care. In our constant quest to develop formulas to minimize wrinkle formation ANESI has created CELESTIAL SECRET. This unique youth elixir is formulated with METEORITE EXTRACT combining additional mineral and vegetal ingredients for a global skin care facial regimen. This spatial ingredient is very rich in Calcium, Iron and Magnesium allowing a maximum level of skin permeability unknown in other earthly minerals.

Moreover, Celestial Secret Elixir includes maximum concentration of 4 terrestrial minerals (Hematite, Rodochrosite, Olivine and Smithsonite) and 2 vegetal extracts (Spilanthes Acmella and Beech Bud extract), that help the skin appear firmer and more youthful.

Celestial Secret Elixir

The forces of nature concentrated in a Cosmeceutical elixir originating from outer space and in the heart of the earth. ANESI laboratories introduces the definitive GLOBAL anti ageing treatment CELESTIAL SECRET. A unique scientific and sensory formula with an unprecedented arsenal of preventive anti-ageing active earthly minerals extracted from precious gemstones and METEORITE STARDUST EXTRACT. An exclusive and patented active ingredient that strengthens the skin's barrier while increases skin density. The cosmetic's future is to stimulate our skin's inner system to fight against ageing. Minerals play a key role in our skin's cells biological processes being co-factors of many enzymes that take part in numerous metabolic reactions.

45 ml BOTTLE
VEANCSE45

Formulated for all skin types that need hydration and oxygenation. 3D Hydra APS is a revolutionary ingredient consisting of magnetized or polarized water that produces rapid cellular hydration in 3 stages on the skin.

Aqua Vital is also enriched with Celldetox[®], which increases the elimination of toxins accumulated in the skin. The combination of both of these exclusive active ingredients increases overall moisturization from within.

Démaquillant Aqua Vital

Make-up remover in emulsion formulated 3D Hydra APS and Celldetox[®]. Includes Wheat Germ oil for an anti-oxidizing effect and Dragosantoe and Allantoin for decongestive properties. Rebuilds hydrolipidic film while delicately removing dead skin cells.

200 ml BOTTLE
VEANQD200

Mousse Radiance

Make-up Remover in a gel formulation that deeply cleanses the skin with Lactic Acid. Combines both an exfoliating action while moisturizing and regulating the pH of the skin. Enriched with Oxylastil for an oxygenating effect of skin cells.

200 ml BOTTLE
VEANQMR20

Lotion Aqua Vital

Paraben, perfume and colorant free toning lotion that decongests the skin with its vegetable extracts, Hamamelis and Camomile, to complete the make-up removal. Organic Silicon and Hyaluronic Acid provide rapid deep hydration for a more radiant look.

200 ml BOTTLE
VEANQT200

Fluide Démaquillant Yeux

New formulation fragrance-free with a lighter texture gently removes make-up and even water resistant mascaras from eyelashes and eyelids, without affecting artificial lashes. The product is formulated with extra-smooth cleaning, moisturizing and calming ingredients (Fucogel, Calendula extract and Bisabolol), that provide an immediate sensation of comfort.

200 ml BOTTLE
VENASD200

Exfoliant Aqua Vital

Delicate micro spheres filled with Jojoba Oil combined with Celldetox® remove impurities effectively exfoliating the skin surface to discover a softer and more luminous skin.

50 ml TUBE
VEANQE050

Masque Aqua Vital

Intense moisturizing mask with polarized water 3D Hydra APS, Hyaluronic Acid and Apricot nut oil. Also boosts revitalization with the vegetable complex of Ginseng, Saponaria and Licorice.

50 ml TUBE
VEANQM050

Sérum Aqua Vital

Maximum concentration of Celldetox[®], cellular detoxifier and 3D Hydra APS, unique in 3 dimensional Hydration. Creates a water reservoir in the skin for a healthier and more radiant skin. Also includes the cellular regenerator, Vegetable Phylderme for ultimate oxygenation.

30 ml BOTTLE
VEANQS030

**Crème
Aqua Vital**

Intensive moisturizing cream with 3D polarized water that creates a liquid reservoir, hydrating the skin from within to the surface layers. Includes Celldetox® complex to reinforce cellular detoxification and Chondrus Crispus red algae so the skin becomes more luminous, deeply moisturised with beautiful radiance.

50 ml POT
VEANQCH50

**Crème Confort
Aqua Vital**

Provides comfort to dry skin. Thanks to its nourishing agents, Japanese Bloodgrass and Karite butter, eliminates tightness and dryness. Works throughout the day with 3D polarized water so the skin enjoys long-lasting hydration, elasticity and softness.

50 ml POT
VEANQCC50

Sensitive skin is fragile by nature and reacts excessively to stress, pollution or severe weather conditions. Soothe skin sensitivity, reduce blotchiness and irritability with ANESI HARMONIE. Formulated with vegetable extracts like Ginkgo Biloba, Horse Chestnut, Aloe Vera and the exclusive calming complex Vidalys which all combined helps delicate skin to recuperate comfort and reveal an evenly-toned complexion.

Démaquillante Caresse

High tolerance formula with vegetable and marine extracts that delicately cleanses sensitive skin. Aloe vera and Apricot oil penetrate the skin while the Licorice extract and the survival molecule Abyssinia calm and repair the skin from external aggressions.

200 ml BOTTLE
VENAHD200

Lotion Caresse

Alcohol free lotion that tones, refreshes and relaxes sensitive skin to complete makeup removal. Enriched with Red Vine and Horse Chestnut to strengthen capillaries and minimize redness. Also includes Aloe Vera to soothe and provide comfort. Silk Proteins leave the skin silky soft with no trace of tightness.

200 ml BOTTLE
VENAHT200

Crème Gommage Caresse

Enzymatic gentle exfoliant which combines the peeling properties of Tomato AHA with the soothing ones of Aloe Vera and Licorice to enhance a softer complexion with increased tone. Enriched with Peppermint to bring luminosity to the skin. So delicate that it can also be used on the eye contour.

50 ml TUBE
VENAHE050

HARMONIE

COMFORT AND WELLNESS FOR SENSITIVE SKINS

Masque Capital Sérénité

A symphony of soothing active ingredients that provides a serene bath of wellness and beauty for sensitive skins. Includes Chamomile and Vidalys complex (calming), Aloe Vera (moisturizer), Ginkgo Biloba (protector), Hypericum Oil and Red Algae (Repair). Frees accumulated tensions to bring comfort, unify the complexion and boost the skin to a new level of elasticity and softness.

50 ml TUBE
VENAHM050

Sérum Harmonie Extrême

Micro emulsified gel with a silky texture that glides onto the skin for intense moisturization without a tight feeling. A fusion of natural extracts with powerful calming properties for sensitive skin. Sweet Orange extracts to rejuvenate and give the skin a healthy glow. Floral water calms and tones. *Entheromorpha compressa* extract comes from algae and acts as an anti-oxidant. Chamomile, Horse Chestnut and Hypericum Oil reduce flaking and restore suppleness. Rich in Vitamin E inhibits the action of free radicals.

30 ml BOTTLE
VENAHS030

Crème Éclat

Balancing cream with Lemon extract restores the natural protection barrier of sensitive skin. Enriched with the phyto-marine complex Vidalys and Orange blossom water helps to minimize redness and any sensation of skin tightness. Calms blotchiness and is perfect for urgent cases of irritability.

50 ml POT
VENAHCE05

The eye contour reflects more than any other facial area the passage of time and the lack of attention. Precisely why it is indispensable from a young age to propose specific skin care.

ANESI SOIN DU REGARD presents a new concept rich in active ingredients such as Horse Chestnut and ProvitaminB5 to recuperate a radiant look.

Sérum Crème Yeux Éclat du Regard

To maintain the youthful, seductive look and increase the moisturization the skin needs to erase all possible signs of fatigue. Includes vegetable extracts such as Horse Chestnut and Golden Chamomile to improve microcirculation and reduce puffiness. Vitamin E is added as an anti-oxidant to strengthen the skin's barrier function and avoid the formation of free radicals. An overall eye contour treatment that reduces wrinkles, expression lines, bags and dark circles for an even tone.

15 ml TUBE
VEANSS015

EXPRESSION CARE

EYE CONTOUR SKIN CARE

For the most seductive look, this exceptional duo, formulated with a biotechnological complex of the latest generation enriched with vegetal ingredients offers a global response for the eye contour. They correct expression lines by inhibiting the micro-contractions of the skin and add luminosity to decongest bag formation and dark circles. It also smoothens, tones and deeply moisturizes wrinkles.

Expression Care Cream

Global eye and lip care cream including Paracress extract that immediately inhibits skin micro-contractions, correcting expression lines. Enriched with Bark Ash, organic silicon and vitamin B3 producing a visible response to bags and dark circles. Increases skin density to fill wrinkles, bringing luminosity, firming and toning of the orbicular and peribuccal areas.

15 ml POT
VEANJCC15

Radiance Contour Serum

Global care eye contour serum formulated with vitamin PP, Caffeine, Carnitine and Ruscus, that improves the vascular system and promotes the degradation of fatty tissue, minimizing bags. Enriched with Hyaluronic Acid to smooth the skin and fill wrinkles from within. Lightens dark circles and brightens the skin in just 4 weeks. Its special applicator produces a refreshing and decongestant massage for an immediate sensation of well-being.

15 ml BOTTLE
VEANJRS15

ANESI presents its new Cosmeceutical range. Innovating professional skin care treatments capable of returning the skin to its youthful glow, recuperate firmness or simply plump it. The exclusive Stem Cell C³ treatment with vegetal stem cells delicately erases wrinkles and restores luminosity to unify skin tone. The new DERMO TENZ GEL produces an immediate tightening effect that also works in depth, firming the skin, redrawing the facial oval and significantly reducing wrinkles.

Émulsion Stem C³

Plant Stem Cell technology incorporated in a luscious emulsion that reverses chronological ageing and delays deterioration of essential skin cells. Formulated with 2 active ingredients that have Vitamin C to act on free radicals and produce an intensive moisturization of the skin surface. Orange Extract acts as an anti-oxidant to strengthen the natural skin barrier. Ascorbyl Palmitate reinforces the anti-oxidant effect by increasing cellular permeability and prevents them from oxidative damage. PhytoCell Tec is based on plant stem cells that slow down chronic skin ageing. Enriched with Collagen to moisturize and favour cellular water retention. As a liquid dampening factor Hydroviton is added to further increase moisturization.

50 ml BOTTLE
VEANSTC50

Dermo Tenz Gel

New generation skin care delivers an immediate lifting effect with an in depth anti-aging treatment. Formulated with Kigelia and Quillaja plant extracts to firm the skin and redefine the facial contour; Spilanthes extract promotes wrinkle reduction for an immediate and lasting effect. In just a few minutes the skin is left feeling smooth, soft, with luminous while blurring the signs of fatigue. Dermo Tenz can be combined with any ANESI treatment cream and can be applied before make-up.

30 ml BOTTLE
VEANJDT30

Recuperation of the skins youth code. The passage of time leaves imprints on your skin and it is further damaged by pollution, stress and U.V. exposure. All these factors act negatively on our DNA. The result is that the regeneration capacity of the skin is gradually reduced while the ageing process accelerates.

The ANESI response is DNA CRONOLOGIE with DNA Filaments and SERUM CELL-EGF based on Epidermal Growth Factors.

Dna Cronologie

Rejuvenation Time Cream formulated with DNA filaments that stimulates the skin renovation from within and protects the DNA cell. Includes Thymulen which is a bio mimetic peptide derived from the youth hormone that boosts the growth of keratinocytes strengthening epidermis regeneration. Ajidew are amino acid based humectants found abundantly in the skin's NMF. It improves moisture retention to make the skin softer. Marine Collagen replenishes the connective tissue and Phytaluronate delicately lubricates the skin leaving a silky sensation. A revolutionary formula to recuperate the skin's youth code.

50 ml POT
VEANJCC05

Sérum EGF

Bio-Tech regeneration boosting formula with Epidermal Growth Factors (EGF) in its maximum concentration. This mitogen agent alters the form the cell works and stimulates its regeneration. It reconstructs damaged cells promoting skin renovation. Stimulates the proliferation of keratinocytes and fibroblasts to restore cutaneous vitality, increase its thickness and recuperate elasticity. Enriched with Olive Oil and Sweet Almond for nutritional and softening properties. Restores dermal balance after any spot/whitening or rejuvenation treatments.

30 ml BOTTLE
VEANJEGF3

After 40 years of age the skin begins to reflect the consequences of the presence of fewer estrogens: dryness, less density, loss of tone, marked wrinkles.

To overcome these deficiencies and recover its splendour, ANESI INFINI JEUNESSE presents JOVIALISSE formulated with Phytohormones. Applied daily, wrinkles are reduced leaving the skin with a youthful appearance.

Crème Jovialisse

Luxurious formula that combines 2 modulating ingredients which are Clover and Iris Phytohormones. 9 active ingredients including Hydroxan, Liposiliol C, Vitamin E, Gatuline that moisturize, protect and regenerate. Compensates the effects of passage of time after 40 by thickening the complexion, strengthening the cellular matrix to maintain fibre cohesion and limit water loss. Restores equilibrium, elasticity and comfort for a radiant look.

50 ml POT
VENAJJO50

With the passage of time, wrinkles are increased due to the normal facial expressions that cause delicate muscle contractions. Rébellion Âge corrects the facial lines of expression by de-contracting the skin with the help of Argireline®, which at the same time stimulates cellular regeneration.

Crème Rébellion Âge Regard

Specific correcting cream with Argireline formulated to treat character lines. This complex inhibits dermal contractions to reduce the number and depth of character lines. Enriched with anti-ageing vegetable ingredients such as Ridulisse and Gatuline RC, they improve the quality and thickness of the skin. Macadamia Nut oil is added to regenerate and protect the skin.

15 ml POT
VENAJCR15

Crème Rébellion Âge

Decontracting treatment for all skin types formulated with Argireline® that neutralizes the micro tensions to correct expression wrinkle lines. Also, acts as a global anti-ageing treatment by including Dermolectine, a vegetal glycol-protein similar to an epidermal growth factor which stimulates fibroblasts production. Reductine, extracted from Oat, stimulates cellular renovation to improve tissue structure and combats free radicals, responsible for photo-ageing.

50 ml POT
VENAJER50

With the passage of time, the skin will become thinner, more flaccid, and will deteriorate due to environmental factors... no matter what skin type! Wrinkle formation begins....
Anesi Infini Jeunesse is an excellent anti-aging treatment with scientific technological formulas combining active ingredients to fight against the signs of aging.

Crème Réveil Jour

Luxurious anti-ageing formula with an exquisite texture that nourishes the skin with ingredients that combat chronological time. Rich in Hydroxyprolisilane C, derived from Organic Silicon, restructures collagen and restores cutaneous elasticity. Includes Dermolictine, vegetable glycol protein that acts as a potent cell renovator and Reductive, extracted from Oat, used as an anti-oxidant. Also added is Vitamin E and Wheat germ oil rich in essential fatty acids.

50 ml POT
VENAJCD05

Crème Réparatrice

A highly nutritional cream for tissue repair. Rich in regenerative active ingredients: Dermolictine, Reductine and Revitalin. Vegetable oils such as Olive, Sweet Almonds and Avocado provide nutritional and hydrating properties. Caviar Oleate and Vitamins A and E are highly anti-oxidizing while regenerating the skin.

50 ml POT
VENAJCR05

ANESI BEAUTÉ introduces CC Perfect Cream, a total care cream with color that combines an anti-aging treatment with a silky and long lasting makeup effect. It covers all the needs of the skin in a single step: reduce wrinkles and signs of aging, fights spots and brightens, slows oxidative stress, smoothes lines, and hydrates and protects from the sun.

Its 12 hours makeup effect corrects and adapts to your skin tone perfectly. Waterproof formula with SPF 30. Simplifies daily treatment reducing care to a single product.

CC Perfect Cream

Universal care color cream formulated with a unique mimetic tri-peptide that minimizes wrinkle formation slowing down the gradual signs of aging. Sophora Japonica and Kiwi extracts actively work on dark spots while adding luminosity to the skin. Also includes Malt extract to combat oxidative stress and a marine exopolysaccharide which has a filling effect for maximum moisturizing strength. Make-up effectively lasts 12 hours while correcting and unifying skin tone. Water resistant formula with a high sun protection factor. Available in 3 colors: light, medium and dark.

30 ml TUBE
VEANJCC30

Anesi Luminescence is specially formulated to give luminosity to the skin while removing blemishes and age spots in addition to combating pigmentation.

Crème Luminescence

Powerful combination of acids (Lactic, Citric, Ferulic and Phytic) that reduce blemishes on the skin surface. In addition, whitening ingredients such as Dermawhite® and Gatuline Whitening for a more luminous glow. Includes technological complex Lumiskin™ to reduce age spots. Retinol chromospheres are added to prevent the formation of hyper-pigmentation and reduce melanin synthesis. Provides deep moisturisation for an even luminous skin.

50 ml POT
VENALCD05

Discover the two sunscreen creams of high ultra violet protection Les Écrans, formulated to moisturize intensively, repair and calm with active ingredients like Monoï of Tahiti, Chamomile and Liquorice. Two exceptional skin care products that will protect and preserve your skin under sun ray exposure.

Crème Haute Protection

High protection sunscreen to prevent premature skin ageing due to UVA and UVB rays. Delicate light texture formula enriched with Liquorice, Chamomile and Monoï of Tahiti extracts allows application even on the most delicate skins. Recommended to be used after any acid/enzymatic peeling treatment and ideal for sensitive skins.

50 ml TUBE
VENAAHP05

Crème Teintée Haute Protection

Tinted high protection cream that protects the skin against UVA and UVB rays. Moisturizing and rich in soothing plant extracts such as Liquorice and Chamomile. Can be applied even on sensitive skins. Beautifying effect thanks to its golden formula that conceals facial marks and spots.

50 ml TUBE
VENAAHT05

Gel Mousse

A cleansing gel which transforms into a luscious foam with a few drops of water. Effectively eliminates impurities. Formulated with Laminaria Algae and united with an AHA fruit cocktail consisting of Peach, Apple and Grapefruit. Moisturizes, purifies and softens for a clean and fresh complexion.

200 ml BOTTLE
VENAGGM20

Lotion Contrôle

Alcohol free lotion that refreshes and purifies, prevents breakouts while not drying out the skin. Includes Salicylic Acid, Laminaria Algae and Iris Florentina Root Extract with Retinyl Palmitate to fight against the physical signs of acne. Gently closes the pores for a natural velvety look.

200 ml BOTTLE
VENAGLC20

Dermo Contrôle is an effective skin care program to normalize an oily t-zone while combating dehydration. It also seriously addresses acne and control bacteria formation. Purifying and healing ingredients unite to eliminate blemishes and unclog pores.

Sérum T-Zone

Mattify the forehead and nose with this extremely rich concentrate. Formulated with sebum regulators like Zinc, Laminaria Algae and moisturizers with Urea and fruit complex of Peach, Apple and Grapefruit brings equilibrium to the skin. Has a decongestive effect thanks to the addition of German Iris extract.

30 ml BOTTLE
VENAGST03

Émulsion Purifiante

Shine-free skin control. Mattifying emulsion that moisturizes and controls excess oiliness with the Vidalys complex for an attractive matt complexion. Formulated with hydro soluble Vitamin A for additional elasticity and moisturization. Contains polyamide particles that extend the mattifying effect.

50 ml TUBE
VENAGEP50

Crème Correction Extrême

Formulated for very oily skins that need to prevent the appearance of blemishes and spots. Accelerates skin regeneration to avoid scars and marks. Enriched with 4 powerful vegetable repairers: Rosehip, Centella Asiatica, Mimosa Tenuiflora and Allantoin.

50 ml TUBE
VENAGCE05

ANESI
BEAUTÉ

VENAJER20

Coffret Celestial Secret

Today there are numerous anti-aging professional treatments, which without a doubt offer great effectiveness, but they do not always fulfill the consumer's expectations, which is to recuperate the characteristics of a youthful skin (firm, moist and luminous without the presence of wrinkles). To cover these needs, constant research and innovation is required, differentiating ANESI from other skin care brands. As pioneers, ANESI laboratories present CELESTIAL SECRET COFFRET, a global youth regime formulated with an exclusive and unique active ingredient originating from space and over 4,5 billion years old: METEORITE EXTRACT. Boosted with maximum concentration of 4 terrestrial mineral extracts and 2 vegetal extracts, that combined; reinforce its global effectiveness for firmer and more youthful skin. Increases skin density to visibly fill wrinkles, deeply repairs the skin, increases skin barrier protection and restores collagen and elastin fiber complex.

VENAKITCS
Sold as single kit

Contains:
